Professional Experience and Curriculum Vitae

Spiros is a graphic design graduate from Middlesex University although Illustration has since won his heart.

He works with various techniques using collages, hand drawn as well as digital elements. Most of his images embrace emotions, human elements and fashion.

He has worked for various fashion publications including ELLE, Company, Swide by D&G and The Hub, and has featured in a number of illustration books, the most recent being 'The Beautiful' published by Gestalten.

He has designed t-shirts for Topshop/YourEyesLie and Ah-mazing, and has collaborated with The May Fair Hotel and the British Fashion Council for London Fashion Week.

He recently completed collaborations/placements at Alexander McQueen, Goose Design and Saturday-London and Tom Ford is currently working on various other freelance projects.
