

Professional Experience and Curriculum Vitae

splane is a writer and illustrator. She illustrated A Hot Planet Needs Cool Kids by Julie Hall (Green Goat Books), A Story of Witchery by Jennifer Calkins (Les Fignes Press), and #Next Level Manners by Rachel Isgar (Please Pass the Manners). She has provided illustration, graphic design, and media consulting for many small businesses. splane also co-founded trailblazing eco-e-tailer ProgressiveKid. PK's products, many of which were designed by splane, were carried by Whole Foods and featured in national magazines.
