Professional Experience and Curriculum Vitae

A versatile and imaginative graphic designer, recognized for producing impactful, quality and results-driven creative. As a skilled designer, art director and illustrator, I have worked successfully in both agency and corporate environments, and whether it's a project, permanent position or anything in between, my enthusiasm for the creative process and delivering on client expectations is unwavering.

My background includes all phases of design, from concept to production, with experience in package design, point-of-sale, corporate identity, marketing collateral, print, three-dimensional design, typography and more. I thrive on the opportunity to challenge my creative capabilities, and bring this drive and inspiration to each new project and experience.
