Professional Experience and Curriculum Vitae

Owner and designer Christine Cavataio's past history in Directing and developing brand marketing as attributed to the success of some of the major brands today. Working with Polo/Ralph Lauren, Abercrombie and Fitch and others during the years of their greatest growth as a brand has given her the experience needed to help move any company from ordinary to the extraordinary.

This is a portfolio of my jewelry design work if you want to see some of my graphic design work please go to <http://www.ccdesigns.info>

Previous Clientele

I have directed videos, brand marketing and advertising collateral, website design and photo shoots in order to create some of the finest visual branding that has been seen in the retail field. Some of the companies she has contributed her talents to are Tommy Hilfiger, Calvin Klein, Structure, Rosendales Restaurant, The Limited, Victoria's Secret and others.

This portfolio is mainly the jewelry line I design now and sell in a number of stores here on the north shore of Long Island and on my website <http://www.steamheatdesigns.com>
