Professional Experience and Curriculum Vitae
I like defining myself as a image project manager. As a digital retoucher I can provide and efficient workflow which will deliver projects on time and meeting the tightest deadlines. As a photographer I can provide entire projects from the beginning till the end, including post production and fine printing.I am available to work remotely and worlwide being thanks to an efficient way to tranfer files where and how you want. English and German are fluent, so language is not an issue. I am based in Turin, Italy. I am able to move trough Italy and Europe very esasily.
