Professional Experience and Curriculum Vitae
Born in the Quebec City region, Stéphane Milhomme graduated from the Matane CEGEP before heading to Montreal to pursue his career, where he has now been living for the last ten years. One of his first jobs was as an assistant to a photographer. This experience, combined with his passion, determination and courage led him to become a photographer himself. A career he has embraced now for the last several years. His inspiration comes from his curiosity towards people, larges spaces and beautiful locations. Good atmospheres, the new and the unknown, motivate him greatly.
