Professional Experience and Curriculum Vitae

Stephen Dux is a Wisconsin native who found his start working as the Photo Editor for the Richland College Chronicle in Dallas. He spent the next two years in New York learning his craft and working for some of the most prestigious photographers. Such as, Annie Leibowitz, Chris Sanders, Mark Seliger and Micheal O'Neil.

He takes great pride in working with the Happy Hearts Fund traveling through Asia and South America, documenting their relief efforts for children affected by world disasters. He has now traveled to over 30 different countries; working around the globe.

Stephen specializes in fashion, portraiture and photojournalism.
