Professional Experience and Curriculum Vitae

Steven DeVilbiss is a still life photographer based in New York City. Having photographed jewelry and timepieces for the past 15 years as part photography duo ANTIFARM, Steve now focuses his skills and sensibilities as a jewelry photographer toward luxury products and cosmetics. His attention to detail and ability to bring out beautiful sparkle and shine in everyday items is what sets him apart from other still life photographers.

Steve lives outside of NYC with his wife, three sons and dog, Pixel.
