Professional Experience and Curriculum Vitae

Born in 1964 in Ontario, Canada, Stewart Fletcher's career in the visual arts has spanned over three decades. His drawings, paintings and works on paper can be found in more than 400 private, public and corporate collections in over 20 countries worldwide. Described as a Contemporary Artist using traditional mediums and techniques, Fletcher is a consummate professional concerned with ideas, innovation and the creation of technically solid and compositionally sound works of art. The artist is interested in the creation of fine art and not decorative art and continues to push both societal and personal boundaries in his creativity and art.

Primarily known for his profound love of the human figure, Fletcher also explores other subjects and concepts in his quest to innovate. Fletcher is a popular and highly skilled arts educator, writer and lecturer.
