## Professional Experience and Curriculum Vitae

I am a sculptor and patternmaker, mostly working with cast metals, both lost wax and industrial sand casting. I have done lots of big work in bronze, lots of tiny, precision work in aluminum, and designed a whole product line for site furniture in cast iron.

I am also teaching metal casting basics part time at the Haliburton School of the Arts.

## Previous Clientele

City of New York  
Artcast, Inc, Georgetown, Ontario Canada  
Banff Springs Hotel  
Matthews International  
Hollywood Forever Cemetery, Los Angeles
