Professional Experience and Curriculum Vitae

St Monica's College offers student- centred educational Programs. Established in 1964, St Monica's College now enrolls over 1950 students, and is located on two modern, well-equipped campuses in Melbourne's Northern suburbs along with Ostia, its country campus in the peaceful valley of Strath Creek. It is a catholic school Melbourne (Years 7 – 12) and is regional in ownership and governance.
