Professional Experience and Curriculum Vitae

With over 20 years experiencing the changes of the hearth industry we bring to you quality products at an excellent value. Minimal investment with a guaranteed high return.

Whether a unique fireplace mantel to transform your space, an outdoor fire pit to create the perfect ambiance, or simple concrete tile to fill in the missing link of that renovation, we have what you are looking for. And you will find nothing quite like it. Each of our products are individually hand made with the same quality standards and care, which enhance their character and uniqueness.

You will not find a product quite like this at such an affordable price.

We have experienced first hand the changes of the fireplace and outdoor industry and are thrilled to provide these products with superior value and style to our clients

We understand what is involved in deciding on the perfect mantel to suit your taste and needs, which is why we bring to you a vast selection of choices, all at your fingertips. Easy to buy, simple to install, all delivered to you.

If only everything in life could be this simple.
