Professional Experience and Curriculum Vitae

Studio 202 is an established commercial/corporate graphic and web design company in the Nashville, Brentwood and Franklin, TN area serving businesses, corporations, organizations and churches.

Studio 202 provides creative strategic brand communication and comprehensive design services for companies of all sizes, across a variety of business sectors. We are a trusted, experienced and ethical design/marketing company for hire by contract or per project. Studio 202 is a small, agile design team with a unique multi-talented approach, incorporating design fundamentals, web development, illustration skills, business common sense and research based consumer psychology.
