, HUDINI, FUSION, ETC

WORKING EXPERIENCE

TAK: THE POWER OF JUJU It's a niclodian project in collaboration with method films. Ltd. A 3d project use of semi realistic shaders., for visualeffects we used mostly smoke, pixie, dust etc. This is a good entertainment project for all, I am happy to work there as a visualeffects artist.

MMCH-II: It's a walt Disney project in collaboration with dq entertainment ltd. A 3d project use of cartoonistic shaders, for visualeffects we used mostly using water, smoke, pixie etc. This is for children basically, having 52 episodes. I worked as a group leader for vfx team.

MMCH-III This : This is same project of walt Disney, in collaboration with dq entertainment ltd. A 3d project use of cartoonistic shaders, for visualeffects we used mostly using water, smoke, pixie etc. This is for children basically, having 52 episodes
CASPER: It's a moonscope ltd project in collaboration with dq entertainment ltd. A 3d project use of semi realistic shaders, for visualeffects we used mostly used maya fluid simulation. This fully ghost packed series is having 26 episodes, I worked there as a group leader for vfx team. size of 19 people.

IRONMAN : Its a Marvel Comics project in collaboration with Method films (France). A

3D project with an advanced and artistic use of "TOON SHADER" to add more life to the characters and backgrounds thus adding a finishing touch to the whole scene. This fully action packed series is having 26 episodes of which the first two is launched in October 2008 wherein I'm presently working as a senior vfx artist with a team size of 30 people.

HOBBY: I like to listen song very much, and play with kids, and go to some nice places.
