Professional Experience and Curriculum Vitae
Sudsies Dry Cleaners has opened a new boutique in the heart of the Miami Design District. Servicing Miami, Miami Beach, Morningside, Midtown and the Design District areas. Sudsies new dry-cleaning boutique has the most advanced in cleaning technologies, and is specializing in designer and couture wear. The well-known Biscayne Boulevard landmark is now expanding across town, making it convenient for our customers throughout the city to get the dry cleaning they wish for! With so many designer labels surrounding our new location, it is a perfect fit – and home – for the years to come.

We provide a pick up and drop off service right to your home. Sudsies vans are known for parading the streets of Broward, Palm Beach, and Miami-Dade Counties six days per week. This convenience is offered to all of our customers for free.

The Sudsies approach is to use the best products for the environment and the garment. Our wet department uses the same process endorsed by the EPA Design for the Environment Program and our operation is running a plastic hanger recycling procedure. For seven consecutive years, we have been voted the Number One Eco-Friendly Dry Cleaner by the Green Cleaners Council. Unmatched efficiency both environmentally and in dry cleaning is something the Sudsies crew prides themselves on daily.

To find a one-stop-shop for dry cleaning, tailoring, and alterations, visit the Sudsies nearest to you. Your clothes will love us!
