Professional Experience and Curriculum Vitae
Sudsies is a full-service laundry and dry cleaners in South Florida. From the shirt on your back to the carpet under your feet, we'll clean all types of fabrics and materials including your shirts, jeans, blouses, jackets, suits, designer wear, formal attire, wedding gowns and even specialty items like blankets, area rugs and more.

For your convenience, we pick up and deliver your laundry for free all over Miami-Dade and Broward counties including the neighborhoods of Brickell and Plantation. Which means our Sudsies vans are motoring all over South Florida six days a week. If you call us we're ready to provide on-site home cleaning of your laundry. How's that for customer-friendly?

As for being garment-friendly, Sudsies takes special care in cleaning delicate designer apparels and expensive couture garments. We start by examining the material type, ornamentation, construction and designed detail of your garment. From there, we'll hand-spot, hand-press and hand-finish your garments just the way you like.

And did you know Sudsies is very environmentally friendly? Our wet cleaning department uses the same process endorsed by the EPA Design for the Environment program. We also have a plastic hanger recycling program. And we're a proud member of the Green Cleaners Council. So when other dry cleaners tell you they're green, it's probably just with envy.

To find a one-stop-shop for dry cleaning, tailoring, and alterations, visit the Sudsies nearest to you. Your clothes will love us! To contact our North Miami location directly please call (954) 869-3279.
