## Professional Experience and Curriculum Vitae

Sudsies is a full-service dry cleaning and laundry company based in South Florida. From the shirt on your back to the carpet under your feet, we'll clean all types of garments including pants, shirts, blouses, jackets, suits, designer clothes of all fabrics, formal attire, wedding dresses and even specialty items such as comforters, blankets, area rugs and more.

For your convenience, we pick up and deliver for free all over Miami-Dade, Broward and Palm Beach counties. Which means our Sudsies vans are motoring all over South Florida six days a week. How's that for customer-friendly?

As for being garment-friendly, Sudsies cleans your designer garments and custom-made clothing with special care. We start by examining the material type, ornamentation, construction and designed detail of your garment. From there, we'll hand-spot, hand-press and hand-finish your garments just the way you like.

And did you know that Sudsies is very eco-friendly? Our wet cleaning department uses the same process endorsed by the EPA Design for the Environment program. We also have a plastic hanger recycling program. And we're a proud member of the Green Cleaners Council. So when other dry cleaners tell you they're green, it's probably just with envy.

To find a one-stop-shop for dry cleaning, tailoring, and alterations, visit the Sudsies nearest to you. Your clothes will love us! To contact our North Miami location directly please call (305) 728-8940.
