Professional Experience and Curriculum Vitae
Hi! My name is Joahn. I am very fond of digital promotion. I really like what I do. I think that we live in a wonderful time when anyone can easily find what they need just by using the Internet. And it's very cool. My main task is to implement it. My activities and interests include PPC, SEO, copywriting and web-design. In my free time I like to read, draw, run.

Previous Clientele
Tom Ball
Rick Parker
Mike Pitt
