Convince parents for love marriage without hurting them

"The Parent child bond is eternal and nobody wants to hurt each other. Sometimes due to disturbance in cosmic ways when stars clashes with each other problems starts developing. Parents wish their children to act according to their wish and children wants parents to take their side in every situation. If you wish to convince parents for the love marriage without hurting them, then this is the place for you. With my remedies you will see that your parents who were against your relationship now readily agree to your love marriage.
