Professional Experience and Curriculum Vitae
Sunny Lau is a UK based Commercial Lifestyle Photographer and Director. A lover of film, music and travel. His work is influenced by the cinematics of film. Fascinated by converging simplicity and emptiness to create raw atmospheric and emotionally driven imagery, with the use of colour, whether it's in his personal or commercial work, colour is as vital to the final image itself.

He has had great opportunity to have worked for clients such as EASTPAK, VICE Magazine, Your Collective, and Toyota. Sunny is also published as part of an colllective work in an up coming book published by SendPoints Publishing Co. that's due to be released in the near future.

Previous Clientele
Toyota, EASTPAK, Your Collective, VICE Magazine
