Professional Experience and Curriculum Vitae

My name is Cazacioc Bogdan Catalin, I'm 23 years old and I live in Bucharest, Romania. Since I was a kid I was mad in love with visual imagery, an odd attraction towards drawing and colors. Now I'm all grown up and still doing it (growing up, that is), and through photography and graphic design I feel more connected to do my own thing my own way, more than ever. And I'm gon' keep doing it, until I give my last breath.
