GIRLIE PINK + GOLD PEARL = METRO MUSE.

COLOUR + PEARL EFFECTS
The intersection of sophistication and fun is avenue you. Style is the
wake of your path. It comes so naturally. Girlie girl. Tomboy. Fabulous flirt.
A Pearl Effect on your favorite Colour is your change in a wink. Your mood mark.
And understated is all you need. Pearl Effects never steal the spotlight.
They just make gorgeous glow.
Your inspiration comes in three pretty Pearl options: **Gold, Copper** and
Lavender. Colour does a subtle dance under just one layer of Pearl Effect
and a more lively step under more. Hmhm. A city full of artists awaits you.

FIREBERRY + COPPER SHIMMER = ST. TROPEZ SIREN.

COLOUR + SHIMMER EFFECTS

Rich breezy confidence without compromise. Lifestyle without limits. Mad about fun. Adding Shimmer Effects to your favorite creamy Colour taps the serious, the fun, the sexy and makes them all BFFs—effortlessly. Not understated—never overstated—Shimmer Effects are the perfect balance of all things you.

Let the siren sing with six seductive Shimmers: **Gold, Copper, Scarlet, Emerald, Ice Blue and Violet**. Their rich play on Colour is stunning. Brush on a layer. Then relax and see just who answers your call.

OILSLICK + SAPPHIRE SPARKLE = DOWNTOWN DIVA.

COLOUR + SPARKLE EFFECTS

Progressive by day—outright edgy by night. And when you walk into the night—make sure you own it. Sparkle Effects give you title. Bodaciously bold and not shy about it. The super-flash micas of Sparkle Effects give your base Colour bling that commands attention. It's not a fashion statement. It's a declaration.

Release the diva with six glorious Sparkles: **Gold, Jade, Crimson, Raspberry, Sapphire and Amethyst**. What they do to base Colours will mesmerize. One layer to turn heads. Two layers to make them pop.
