Professional Experience and Curriculum Vitae

Zoran Svraka graduated with a Bachelor of Industrial Design from the Academy of Fine Arts and Design, Ljubljana – Slovenia in 2007. He started to practise industrial design while he was still studying. After various collaborations with Design Agencies abroad, he joined the Istragrafika Company in 2007, largest packaging design and manufacturing Company in Croatia. Zoran's role was to integrate his creative spirit into packaging world. His packaging is shown in various packaging & product web sites as well as world design publications. He has received awards such as: Cropak 2010 prototype Packaging Award, 1st Award Urban Stone Competition and Preseren Award for industrial design. Besides packaging, he is designing various products which could be seen at www.svrakadesign.com web site.
