**Professional Experience and Curriculum Vitae**
I have been in the field of fine art for over 20 years now, ever since I was able to have creative thoughts, I have been transferring them to paper and it has been quite the journey! I have had experience learning under artists throughout the Wichita area, from my courses at The Independent School when I was attending lower and middle school, to summer course at The Wichita Center for the Arts, which I took courses in drawing, painting, theatre, free hand clay and clay throwing over a period of approximately 6-7 years. In high school at Wichita Southeast High School, I took numerous courses in general art, digital creation and photography. Then, after high school, I began attending Wichita State University towards achieving a degree in Graphic Design. Through this journey, and numerous major changes, I have been under many great teachers. I have taken courses in drawing, painting, digital design, sculpture, photography and many other technical courses. In middle of my courses at Wichita State University, I decided to switch to Cowley County Community College and achieve an Associate's Degree in Graphic Design. Now, I am back at Wichita State University to attain my two bachelor degrees in Graphic Design and Sculpture (Emphasis in 3D Design).

It has been a long journey, but soon I will be closer to my goals in life of making artwork as a full time occupation. Feel free to click the links below to view some of my artwork so far. I have separated it into categories, so you do not get too overwhelmed by the amount of art I have created throughout the years. Hope you enjoy what you see!

**Previous Clientele**
The Broadview Hotel, Wichita, KS
USAG Banks, Wichita, KS
PetroPower, Wichita, KS
