Professional Experience and Curriculum Vitae
I'm Tamas Erdodi 3D artist and visualisation specialist.

In the past 5 years in the creative and media industry I gained wide range of knowledge and experience in digital image and motion picture creation.
I was working in creative agency environment on different web-based and video projects, creating digitally furniture catalog and helping designers visualising their creative visions as well.

I have proficient skills in:

- custom 3D modelling, texturing, rendering

- interior / event / exhibition visualisation

- post production

Feel free to drop me a line with any inquiries: info.tamaserdodi@gmail.com
