Professional Experience and Curriculum Vitae
Over the three days of the Congress 9 Studio Leaders, 4 Keynote Speakers and the Congress facilitators engaged with the Congress Delegates on a wide range of issues from urban development, transport and healthcare, to sustainability and the way we will live in 2050.

9 Design2050 Studios, led by prominent Design Leaders, are developing concepts that were discussed at the Congress and developed into Design 2050 solutions that were published and featured in exhibitions following the closing of the event.

The world’s leading creative thinkers presented their visionary ideas that will play a vital part in shaping a better world of tomorrow.
