Professional Experience and Curriculum Vitae

YODEX (Young Designers' Exhibition) is the largest design exhibition especially oriented to students in Asia. It is a graduating show which brings design graduates' works under one roof and attracts more than 95,000 visitors from Taiwan and abroad every year. During 4 days of exhibition, visitors witness dynamic power of young designers in various design disciplines such as fashion design, industrial design, communication design, and interior design. As far as design students are concerned, YODEX offers a good opportunity for them to interact with one another and provides a valuable experience contributing to their pursuit of future careers.
