## Professional Experience and Curriculum Vitae

I'm work in graphic desing, but I'm interesting in photography not only like a work tool, I work with photography also as artistic expression. Just take a look to my web and enjoy my work.

## Previous Clientele

Please kindly get in touch for more information.

## Awards and Accolades

Graphic Desing - Centro del diseño y la comunicación. Madrid, España  
Photography & Printmaking - University of New Mexico - Albuquerque - USA

Now I work in graphic desing and I'm working into a non-profit photographic association, Espacio Imagen, with the support & collaboration of the Santander City Hall and the governement of Cantabria
