Professional Experience and Curriculum Vitae
I'm a photographer out of the Washington, D.C. area....but I'm rarely there. I spend the majority of my time traveling to amazing locations to get the photographs that matter most to me.

If I'm not in Europe or some other continent...I'm sitting on my couch, watcing cartoons and recovering.

Previous Clientele
TLC - The Learning Channel
The Knot Magazine
Destination Weddings and Honeymoons
Brides Magazine
