Professional Experience and Curriculum Vitae

I am a Parisian based illustrator. I do collages. I paint backgrounds then cut, paste and finalize with Photoshop.

My illustrations are stories, poems, they express a thousand words...

I like the notion of baroque to allude to my work. It is intricate, but one can see immediately in what universe it is dealing with...

Je suis une illustratrice basée à Paris / banlieue (Vincennes).

Je fais des collages. Je peins les fonds à la peinture à l'huile ou à l'acrylique. Les éléments sont découpés puis collés et le tout est finalisé avec Photoshop.

Mes illustrations racontent des histoires, ce sont des poèmes...elles symbolisent des milliers de mots...

J'aime qu'on les dise baroques, complexes mais compréhensives.

Previous Clientele

Gallimard, Albin Michel, Hachette, Denoël, J'ai Lu, Le Monde, The New Yorker, Sciences et Vie Junior, CNRS, Jeune Afrique, Banque De France, BNP, etc...
