Professional Experience and Curriculum Vitae

I married my best friend in May of 2011, sold my house in Colorado and moved to Wyoming with my two dogs. We were graciously welcomed by my husband and his chocolate lab. The five of us love our life in Wyoming exploring the outdoors and enjoying a slower pace than in the city. Given the fact there is little industry in such a small town I have started rekindling my passion for photography and drawing on my education from Brooks Institute of Photography.

As our images have started winning contests and are growing in popularity we are interested in the possibility of finding someone to rep our greeting cards. Please contact us if interested. 307.886.7192 or tetonparchment@gmail.com. Thanks!
