Professional Experience and Curriculum Vitae
Hi, I'm Brittney Williams, A Photographer, Artist and Writer from Los Angeles. My main tools of choice I use to capture my shots are a Canon EOS Rebel T3i Digital SLR Camera and my iPod Touch 5. Although I tend to say I love to shoot whatever catches my eye! I really am best at capturing candids. Whether it be in a bright lively social setting or in nature. I can breathe the life of whatever "event" back into my photos. So to end I really just want people to see a photo or artwork and know immediately that it's a work of mine,.. "That it's a Brittney Williams artwork!".
