Professional Experience and Curriculum Vitae

The Red Dress is a London based Illustration duo, Olivia Chancellor and Ollie Bland. This husband and wife team met while studying Graphic Design and Illustration at Central St. Martins in 1996. They are inspired by all types of Vintage posters and Pulp Fiction illustration. The Red Dress produces striking, sometimes dark but humorous images by painting Contemporary Culture in a Retro style. This often includes bold hand drawn typography. Using Oils and Acrylics as well as computer based painting they can work from sourced photographic images or freestyle.
