Professional Experience and Curriculum Vitae

Hello there. My name is Erica. I am fueled by what I love and how I live. I understand that design does not follow culture; it creates it. I want to change minds, touch hearts, and make a difference — no matter how minimal. I absolutely love clever logos, typography, texture, chocolate and taking risks. I am capable of the entire design lifecycle, from brainstorming and paper napkin mockups to pixel-perfect designs.

Creativity is my product; design is my process.
