## Professional Experience and Curriculum Vitae

My name is Michael Dennery Jr. and I am an Interactive Designer/Animator (if you didn't figure that out by now). I graduated from Rochester Institute of Technology in 2010 with a BfA in New Media Design & Imaging. I am currently living and working in Berlin, Germany. I've worked for such clients as: BMW, Audi, LG, Lenovo, KONEN Modehaus and Kabel Deutschland.

I enjoy color, motion, beards, photography, soccer, design, deutsch, and pokemon. I can do all sorts of things, from websites to 3D animations. I am constantly trying to learn new things. I am trying to improve everyday and I AM ALL ABOUT design.

## Previous Clientele

BMW, Audi, LG, Lenovo, KONEN Modehaus and Kabel Deutschland.
