Professional Experience and Curriculum Vitae

The Touch Studios is located near Lake Charles, LA in Moss Bluff. It is a cutting edge, professional, digital photography studio that strives to create the best images in any category, whether it is children, family, bridal, wedding, modeling, senior or any other type of photography. It is our passion to get the best images possible for each and every client.

Chad Smith is the owner and photographer. He has a combined experience of design and photography of 8 years. He moved to the Lake Charles area where he studied at McNeese State University. Originally he is from Mittie, LA. Mittie is well known for its canoeing businesses located near the Whiskey Chitto River.
