Professional Experience and Curriculum Vitae

Dero Sanford loves adventure, photography, good film, and spending his days with his beautiful wife Lakey, son Solomon and stepdaughter Mia. Having graduated from OSU, Okmulgee with a degree in photography, he quickly found himself immersed in the advertising scene in Little Rock, Arkansas. Working for various magazines, agencies, and companies he began to build an impressive client base. Dero is very personable and his passion for fun, painless photography can be seen in all of his work. Always up for a challenge..one might find Dero repelling down a cliff, standing on top of his car, off-roading, or "Jackie-Channing" walls to get the perfect result. We look forward to hearing from you!
