Professional Experience and Curriculum Vitae

«We seek variety. We are passionate about simplicity»?

Tholön Kunst creates graphical solutions for many different clients from many different industries, located in many different cities. Based in Buenos Aires and Barcelona, Ana Hevia and Pablo Krymkiewicz, enjoy graphic design since 1997, always striving to get the best result, specializing in identity, editorial design and corporate communications. Tholön Kunst builds strategies based on simplicity and usefulness, knows its clients and works with them.
