Professional Experience and Curriculum Vitae
Thomas Chadwick is an English photographer that lives in Chicago and shoots nationally. His location work has a dry, witty sense of humor where he focuses on the details to tell a story. His serious side reveals itself in his portraiture. His subjects are primarily real people that he has chosen because of the character of their faces as well as their passions. Whether shooting a portrait of a break-dancer, an actress, or a gearhead, Thomas' lighting and color treatments are paramount, always beautiful and unique.

Thomas is an environmentalist, obsessive recycler, Tottenham Hotspur / Bears fan, music lover, foodie, and is fluent in French. He is the father to 2 boys, Jude and Luke, with his wife/agent/producer - Erica.

He has been awarded a Cannes Lion, a Clio, and a Chicago Creative Club Award. He was named in Lürzer's Archive as one of the '200 Best Advertising Photographers Worldwide' in 2010.
