Professional Experience and Curriculum Vitae

Tiné helps socially and environmentally-conscious clients expand their core brand to reach the audience where they now spend most of their time: online or on their smart phones.

Strategies are draw up that most effectively draw in the viewers and promote action, rather than indifferent glances and exit clicks. A successful online and mobile presence is a must for anyone wanting to do business in this current world.

- + Branding & logos
- + Websites
- + Blogs
- + E-commerce
- + Mobile sites (iPhone, Andriod...)
- + and much more.

Call or email Tine to inquire about keeping up in the business world of technology and responsibility.
