Professional Experience and Curriculum Vitae

I am a 26 year old impassioned graphical designer with an urge to create perfection in my work. My interest cover a lot of different areas like motion graphics which involves my illustration and animation. And also doing a lot of print- and webdesign.

i'm currently studying »MultimediaArt« at University of Applied Sciences & Technologies Salzburg (Austria/Europe), and at The University of the Arts, Bremen (Germany/Europe).

i'm available for freelance work and projects. feel free to contact me.
