Welcome to Tricia Kim, your number one source for the most beautiful jeweler. We're dedicated to providing you with the very best of our products, with an emphasis on handcrafted and unique jewelry. Tricia Kim has come a long way from its beginning in New York and Bali. When we first started out, our passion for sustainable and eco-friendly jewelry while protecting the planet drove us to start our own business. We pride ourselves on bringing inspirational jewelry pieces for both men and women, with unique designs featuring exotic animals and wildflowers and plants which are loved by many globally. We hope you enjoy our products as much as we enjoy offering them to you. If you have any questions or comments, please don't hesitate to contact us.
