Professional Experience and Curriculum Vitae

hello,

I am Vince Trommel, 22 years old and Illustrator who likes to tell the stories through images. I can do comics, book covers, album covers(cd) and a lot more.

the thing that inspires the most are the old history stories, philosophy and the melancholy of the renaissance artists.

I always try to put a raw edge and a melancholic element in my work and some say it has some religious elements too.

I hope you like my work and maybe you can use my Illustration skills.

cheers!
