Professional Experience and Curriculum Vitae

A Graphic Designer, Illustrator and Art Director with several years of professional experience. An ambitious, innately curious person who is passionate about design, an energetic, hard-working Aussie who loves a challenge! Enjoys travelling and believes experiencing a variety of cultures and languages makes for a more dynamic, inspired designer.

Always interested in the little details around her that the average person or designer will not even notice. Enjoys working hard and achieving great finished results. Aspires to create new, innovative ideas and push boundaries on every project.

Previous Clientele

Lonely Planet, Hallmark, Chapman Taylor Architects, Merrill Lynch
