Professional Experience and Curriculum Vitae

Virtual On The Go is a Pittsburgh-based US-managed virtual assistant company connecting busy professionals with vetted, multilingual VAs from our offices in Pakistan. Founded by Dr. Rivka Colen, MD — a radiologist and UPMC Hillman Cancer Center researcher — we serve healthcare practices, law firms, agencies, and founders across the United States. Our AI-powered virtual assistants help clients save up to 70% versus in-house hiring, with onboarding in just 5 days. Real US accountability. Real global talent. No mystery outsourcing.
