Professional Experience and Curriculum Vitae
All my work is done ‘by hand’. That is, however I produce it, ink, paint or on computer screen, I rely on the process of seeing then drawing: no tracing here.

Since 1 Jan 2012, I’m producing ‘Daily Drawings’ – something new in my sketchbook everyday (two years by the end of December 2013!)

Awards and Accolades
I work across media: drawing, painting and digital manipulation (Photoshop). Residencies include a High School and Leeds Gallery. I am represented regionally, and exhibit regularly, recently on the big screen in New York as part of ‘Art Takes Times Square’
