Professional Experience and Curriculum Vitae

My name is Vonetta Berry. I am a fine body painter living in Austin and working all over the Central Texas region. My degree is from the School of the Art Institute of Chicago, in Illustration and Animation. My focus has been on high end body painting for the last 14 years, with clients ranging from radio stations, and musicians, to belly painting for new moms to be, and face painting for corporate events. I have more than 5 years experience at doing full body painting for cosplayers at a comic book convention in Houston.
