Professional Experience and Curriculum Vitae

René Gast and Yvonne Kroese work together on storytelling projects for public or private spaces. These stories are brought to life by the use of photography for a 'tableau vivant', or are made out of material or fabric or any substance that can be made into a sculpture. And when motion is required, we use ledwalls or video-projection. All these projects have one common goal: to tell a visual story.

Previous Clientele

NTR Dutch Broadcaster, De VPRO Dutch Broadcaster, De Volkskrant and NRC Dutch newspapers, FIOD The Fiscal Information and Investigation Service, De Belastingdienst, RTL Deutschland, KPN, Rohmer Architects & Urbanists, the Frozen Fountain design store, Tax and Customs administration
