Professional Experience and Curriculum Vitae

Water Studio designs and creates contemporary water features, fire features, water walls, fountains, and sculptures for commercial, residential, and public spaces. For more than 20 years, our multi-disciplinary team has been producing one-of-a-kind works that embody our passion of design, innovation, and craftsmanship.

Water Studio strives to provide unmatched products and services in the creation of contemporary water features. From the initial concept to final installation, Water Studio provides clients with unsurpassed service, the highest attention to detail, and optimum results.

Please feel free to call or email us with any questions regarding our processes, custom design options, and cost estimates.
