## Professional Experience and Curriculum Vitae

YOKE, the illustration and printmaking specialist with the charm and charisma to knock you for six!

Mark and Zoe, affectionately known as Mr and Mrs YOKE, illustrate and hand print on the bonnie banks of the River Tay in Scotland.

YOKE's philosophy is keeping it simple and their iconic, bright, bold, beautiful illustrations are sure to brighten the gloomiest of days!

YOKE's illustrations start life as cut paper and are transformed into a number of uber stylish hand printed products, including their signature hand pulled screenprints.
